Each Station Master, Goods Agent and Inspector concerned in the Working of the Trains is required to examine and compare each issue of the Time Books and Bills as far as concerns his Station or Stations, and to report immediately any inaccuracies that may be discovered to the Divisional Superintendent.

APPENDIX TO SERVICE BOOK.

Each servant of the Company supplied with a copy of this book must have in his possession a copy of Appendix No. 9, dated March 1st, 1908, and is responsible for obtaining same from his superior officer.

ENGINE HEAD SIGNALS.

The letters in thick type placed at the head of each column over the Trains indicate the particular Head Signals which that train is to carry. Full particulars are shown in Appendix to the Book of Rules and Regulations.

A representation having been made to the Company that their Servants should be required to use every care to avoid running over Packs of Hounds, which, during the Hunting Season, may cross the Line, all Servants of the Company are hereby enjoined to use every care consistent with a due regard being paid to the proper working of the Line and Trains.
